

The North Star

After School Recap

In February, we explored Social Activism Month by inviting some guest speakers as well as learning about many social activists around the world. Starting with Mr. Jeff sharing about the famous Jackie Robinson and what his teammate did for him. Mrs. Margaret shared a family story about Rosa Parks and her mom working together as seamstresses and what she stood up for on the bus. We also talked about Nelson Mandela, Steve Biko, Malala Yousafzai, Hank Aaron & Mahatma Gandhi. Our Valentine's Day event was a success as always we thank everyone who participated. Lastly, we had a lot of fun celebrating all the February birthdays. Families are always welcome to contribute!
