## RECAP

June at Camp Star-C was an exciting time filled with exploration and fun! We engaged our senses by doing taste tests and creating outdoor art. We learned about ocean life from marine biologists and celebrated cultural diversity through exploring different countries. We also built rockets and enjoyed star-gazing nights. We went on field trips to the pool and Stars and Strikes, and celebrated June birthdays with cupcakes and special activities. Thanks to our wonderful campers and volunteers for an unforgettable month. We're looking forward to more adventures in July!

## UPCOMING EVENTS

- July 4th & 5th- No summer camp
- July 12th- Six Flags Field Trip
- July 23- classroom birthday party
- July 24th & 25th- Star-C day
- July 24th- last day of summer camp

## TWINKLING RESOURCES

Breakthrough Atlanta offers tuition, free summer programming for middle school and high school students
