This year, we've also **added "Little Stars," an early learning program** for children at our Clarkston site. As we celebrate a decade of empowering and uplifting communities, the future is bright for Star-C.

Without your help, we couldn't accomplish our mission and vision to reduce transiency, stabilize communities and empower individuals to thrive. As we close this year and look to 2025, would you consider partnering with us? Your donation makes an immediate impact today.
